

## **Privacy policy**

*At Netlogix, we have always taken your privacy seriously. We have never bulk emailed or cold called to promote our business. That's not what we do. We have never and will never sell your information on to any 3<sup>rd</sup> party. We will only collect a small amount of personal data in our business and only if it is volunteered to us by you or your employer. It will only be used to provide you with agreed services or products that you have inquired about or information about your agreements or services with us.*

*We do use cookies and have a policy for that.*

*So if you really want to know, please head off to our cookies terms and conditions pages. We even show you how to turn them off if you want.*

*When someone visits [www.netlogixltd.co.uk](http://www.netlogixltd.co.uk) we use a third party service, Google Analytics, to collect standard internet log information and details of visitor behaviour patterns. We do this to find out things such as the number of visitors to the various parts of the site. This information is only processed in a way which does not identify anyone. We do not make, and do not allow Google to make, any attempt to find out the identities of those visiting our website.*

*We do not share your information with 3<sup>rd</sup> parties, We do not sell, lend or borrow personal information for from 3<sup>rd</sup> parties. When you give us your information it stays with us. You are entitled to view, amend, or delete the personal information that we hold. Email your request to our data protection officer Mr Steve Morris at [Office@netlogixltd.co.uk](mailto:Office@netlogixltd.co.uk) or via post to Unit30e Foresters Business Park, Estover Close, Estover, Plymouth PL67PL.*

*However please note that not all requests for deletion of data may be fulfilled, there may be legitimate reasons for keeping some data, these reasons might include things like accounting, criminal activity or dispute resolution or any other legal reason. If this is the case we will work with you to remove as much data as possible which would not impact on the conditions above.*

*We check our privacy policy every 6 months. Our next review is scheduled on the 1<sup>st</sup> of October 2018.*
